# BLOCKCHAIN 2.0 SUMMIT

Bangalore | February 1, 2019
Organized by Clavent

**Topic Name: Blockchain for Better Governance**
**Presented by: Sharat Chandra, Government Blockchain Association(GBA)**

Clavent

*Whether we like it or not, governments are some of the most successful distribution platforms.*

*If we can find a way to use government to actually deploy and use blockchain technology, we're going to move a long way towards adoption."*

**Sheila Warren, Head of Blockchain , WEF**

Clavent

Blockchain-based solutions have the potential to make **government operations** more **efficient** and improve the delivery of **Public services**, while increasing **trust** in the public sector.

# India records highest number of births on 1st Jan'19: UNICEF

Written By
Aakanksha Raghuvanshi

More than 3,95,000 babies were expected to have born around the world on New Year's Day, with India estimated to record the highest number of these births at nearly 70,000, the United Nations Children's Fund (UNICEF) said.

# This gang logged into corporations' servers to make fake birth certificates

TNN | Aug 23, 2018, 23:50 IST

A- A+

New Delhi: Questioning of the men arrested for selling fake birth certificates issued by the municipal corporations has indicated that a civic body insider had been helping them run the racket. Police said on Thursday that they had arrested a third accused, who disclosed that the suspects used to log into the servers of the corporations to access the proforma of the certificates.
